Eventually, every grill needs an overhaul. Fortunately, MHP has thought of that.

Modern Home Products Corp. manufactures replacement parts for all major brands and many more. Our replacement burners, grids, grates, flavor plates, etc. are engineered for optimum performance and durability. Over 50 years of manufacturing quality products has given us the expertise needed to build products that last.

We also manufacture a broad line of accessories for added grilling versatility, convenience and enjoyment. Successful chefs know the importance of the right utensils and equipment. Items like long handled spatulas, forks and tongs are essential for successful grilling. When you're cooking with a gas grill, specialized accessories make barbecuing easier, more convenient and enjoyable.
